Summary

First year Bachelor of Commerce student with three years in private healthcare. Started as a care aide, moved into marketing consulting for physiotherapy clinics, then built an AI automation business serving 18 clinics. Now building CareNAV AI, an LLM-powered care-navigation startup, running investor marketing for a CSE-listed company, and competing on UBC's JDC West entrepreneurship delegation. Strongest at converting messy operating data into recommendations.

Experience

CareNAV AI - Founder | Present | https://carenavllm.lovable.app/

- Building an LLM-powered care-navigation tool; working proof-of-concept demo built (https://www.youtube.com/@CareNavAI)
- Demo recommends care pathways for mock post-concussion patients, grounded in NICE and Ontario Neurotrauma Foundation guidelines
- Currently in R&D, pre-launch [Testing is being facilitated alongside vestibular specialist, Harpreet Singh, https://alpinetherapy.ca/team/harpreet-singh/]

Blade Resources (CSE: AZCU**) - Investor Marketing Consultant** | September 2026 - Present | Vancouver, BC, Canada | https://bladeresources.com/

- Run in-house investor marketing, testing content and messaging strategies through A/B tests to grow the company's online following and email list

JDC West - Entrepreneur Delegate (UBCO) | October 2026 - Present

- Break down a business case every week with the UBCO delegation, practicing structured analysis and recommendations and compete in this year's JDC West entrepreneurship delegation

SM &Glen Owner | October 2025 - August 2026 (11 Months) | https://smandglen.ca/

- Designed and sold custom n8n automations to 18 private clinics, generating ~$23K in profit in 8 months
- Built a patient reactivation bot that emailed and texted dormant patients with tailored messaging, converting ~1 in 20 (about 5%) back into the clinic

Consultant Work (Marketing)

- **Interactive Health Physiotherapy Consultant |** July 2026 - October 2026 (4 months) https://www.interactivehealth.ca/
- **Lifemark Health Group Consultant |** August 2025 - October 2026 (1 year 3 months) https://www.lifemark.ca/
- **Country Hills Physiotherapy Consultant |** August 2025 - July 2026 (1 year) https://www.countryhillsphysio.ca/

- Coached clinic staff on reporting and growth tools (DemandHub, Jane, patient reactivation, patient clicks)
- Coached a WCB items program that raised revenue by up to ~$150 per patient
- Ran Meta Ads campaigns and promotional events
- Built KPI scoreboards to track clinic performance
- Ran a patient call-centre team
- Launched a hockey program with Country Hills Physiotherapy that generated $13K in revenue
